

Muhammad Jamil Anwar Goheer

Jamil Goheer is the CEO and Co-founder of Kualitatem Inc., a TMMi Level 5 leader in software quality assurance and cybersecurity. Over 15 years, Kualitatem has grown into an award-winning global firm, serving clients across the USA, Middle East, Europe, and Pakistan.

He also Co-founded **Virtual Force**, a New York-based tech advisory and engineering firm, and **CoVenture**, a \$100M multi-asset venture fund, where he served as General Partner, leading investments in 30+ startups across venture, lending, and crypto.

Jamil has served on the Governing Board of Pakistan National IT Association **P@SHA** and Asia Pacific IT Association **APICTA**, actively supporting Pakistan's IT and startup ecosystems. He has invested in notable startups like **Oladoc**, **Baby Planet**, and **Airlift**, and mentors various incubation programs.

A **Certified Information System Auditor (CISA)**, Jamil has consulted for global organizations including **UNESCO**, **UNDP**, and **Nike**. He lectures on technology and social entrepreneurship as an Adjunct Faculty member at **LUMS** and speaks at global forums.

Education: BS (FAST), MS (LUMS), Leadership Program (Clare College, Cambridge).
